<p>As we celebrate Independence Day (July 4) we remember the many men and women who gave up their liberty to secure and defend the many freedoms we enjoy in our great nation. May we not take these freedoms for granted. Please remember in prayer this weekend all who have served our country as well as those currently serving.</p>																										

Grand Knights Message

The last year sure has gone by quickly. It seems not long ago that I took the gavel from Wes and now I will be turning it over to Tim. I want to say a real heart felt "Thank You" to all of you who have helped to make my job go smoothly.

The Night at the Saints was a great success. The weather was perfect and the home team got a nice 3 to 1 win. Thank you Lee for all your work on this and I hope that this can continue to be an annual event.

I want thank Father Pat for his spiritual leadership and support of the council as our chaplain. On behalf of the council I wish him much joy and happiness in his retirement.

I also want to welcome Father John Pearson to our parish. Fr. John is a 4th degree knight and we look forward to his spiritual leadership for our council.

I know that our new Grand Knight will do a great job and he has goals for our council for the coming year. Please give him your full support and help him make our council as good as it can be.

Larry Ostlund, GK

Insurance Report

I hope your summer has been a good one and continues to be a good one. Enjoy the nice weather, it comes and goes fast.

Life goes by fast to. Sometimes there are bumps in the road of life, little ones and big ones. Lately many of us are experiencing bumps in our lives.

If your life has been affected there are a couple things that may have changed that should not be ignored. First, the life insurance and other coverage that secures your families future may be diminished or eliminated completely. Second, your retirement funds may be seriously affected.

The Knights of Columbus have products that can fill the gaps in your insurance coverage at a reasonable price. These products have guarantees for you so your current and future needs are met. Also, the Knights of Columbus investment products will give you a good return both short term and long term that is guaranteed. How many years do you want your money making little or no interest? How much of YOUR interest are you spending on company expenses?
